QY Clock - Green

「FRUITY」 FRESHNESS LOOKS THAT "BREAK THE SCALE"

Apple Green Color Scheme Stunning from the First Glance

Capturing the vibrant essence of freshly picked green apples
Refreshing to the eye, love at first sight

Transparent display base

Effortlessly showcase your Clock

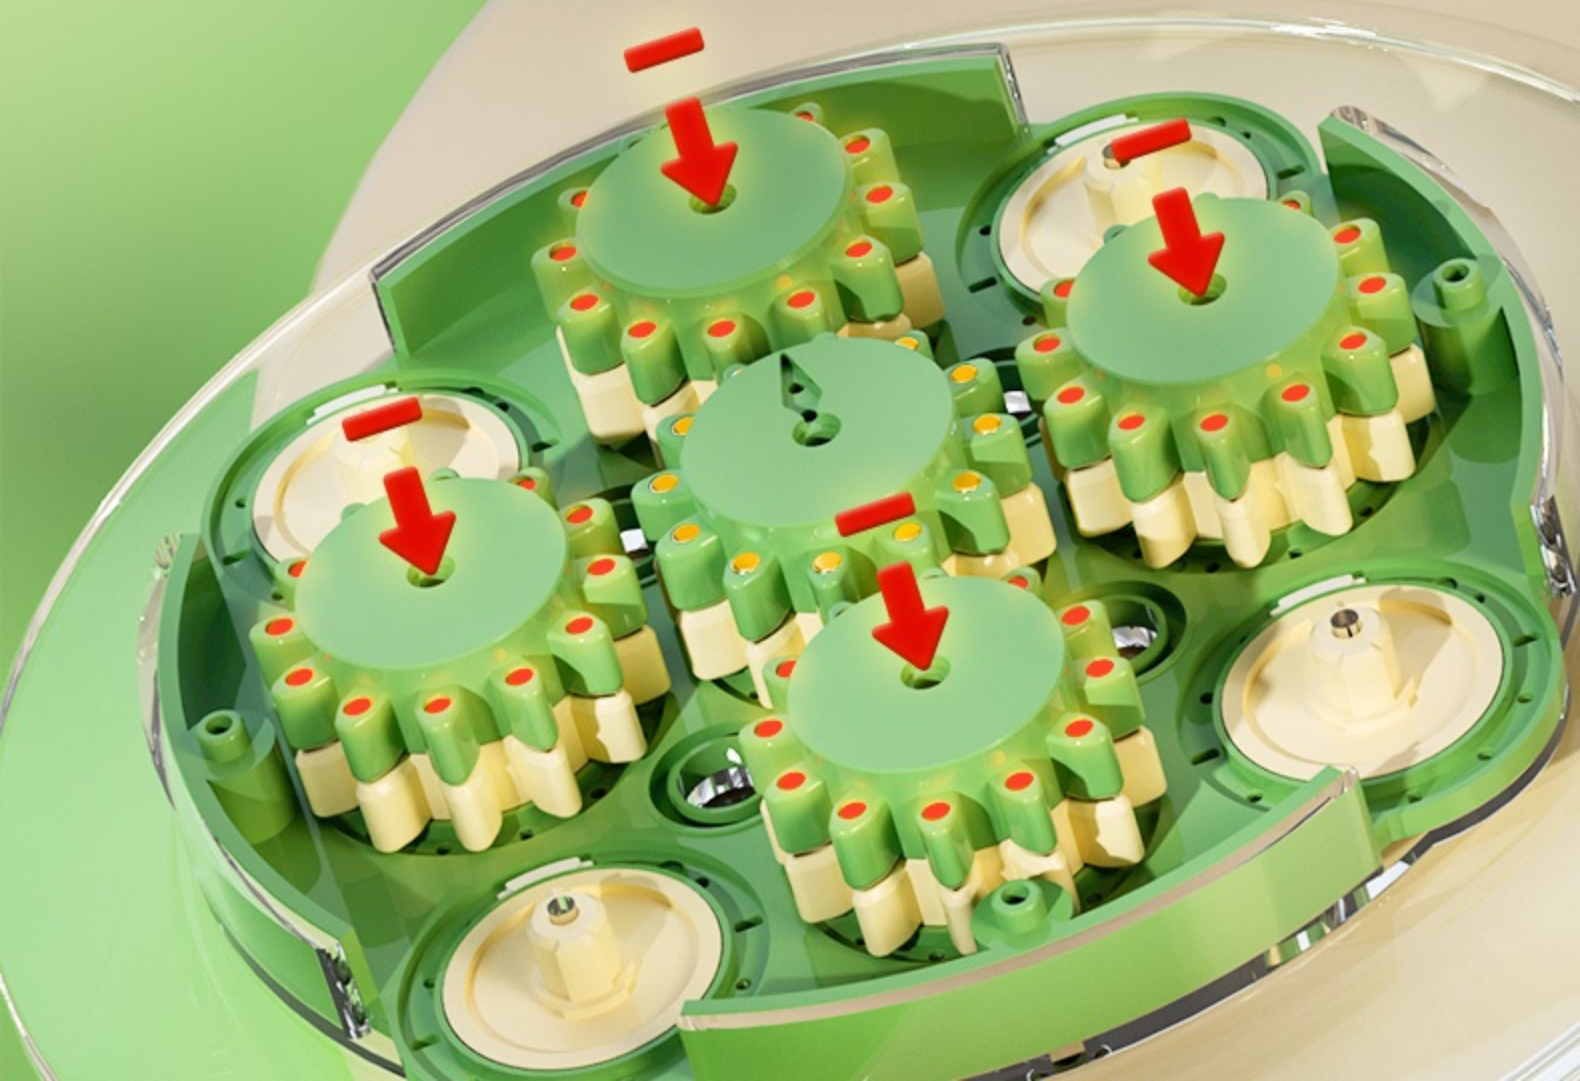

QY Clock - Green

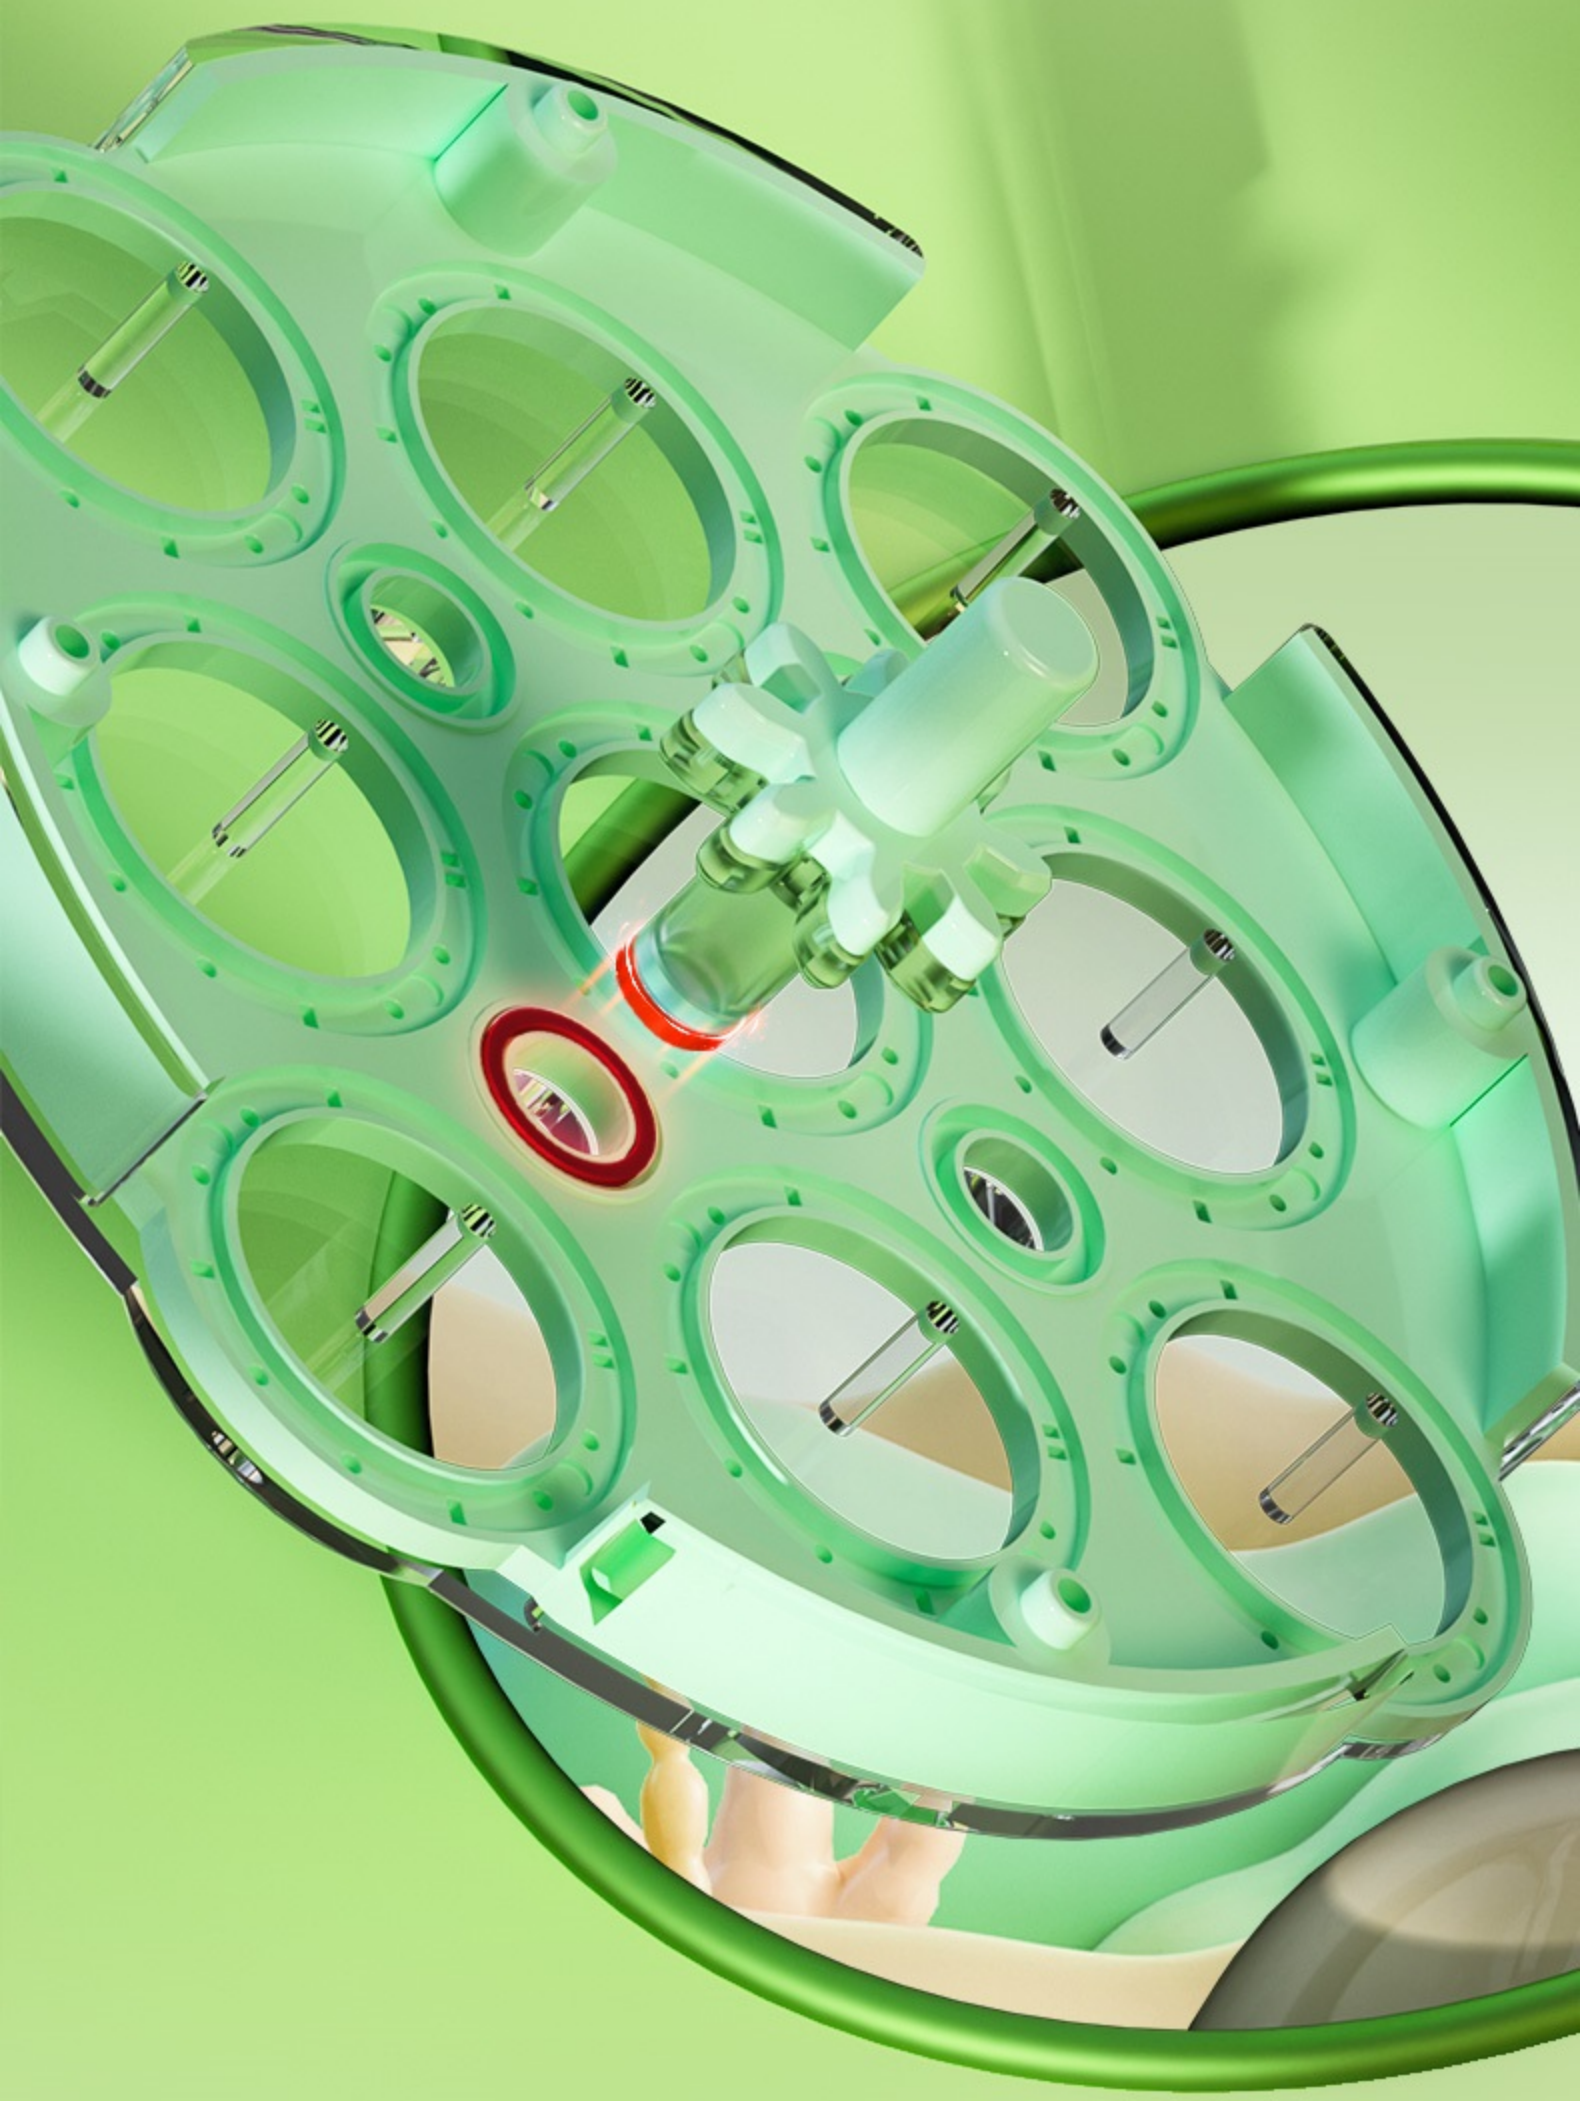

OPTIMIZED MAGNETIC POSITIONING SYSTEM UNSTOPPABLE PERFORMANCE BOOST

Dialing down the magnetic force at the edges assists the magnetic positioning on corner dials for smoother solving
Significantly reduced resistance difference between single-button and four-button operations

Version	QY Clock - Green	QY Clock
Difference in resistance between single-button and four-button	70%	111%

Feel the difference as magnetic rings position the scale rings and buttons, elevating your turning experience.

QY Clock - Green

PERFECT FOR BOTH EXTENSIVE PRACTICE SESSIONS AND COMPETITIVE SOLVING, UNSTOPPABLE FUN

EFFORTLESS ROTATIONS AND FEWER LOCK-UPS

QY Clock - Green

PRECISION IN EVERY DETAIL UNSTOPPABLE PRECISION AND QUALITY

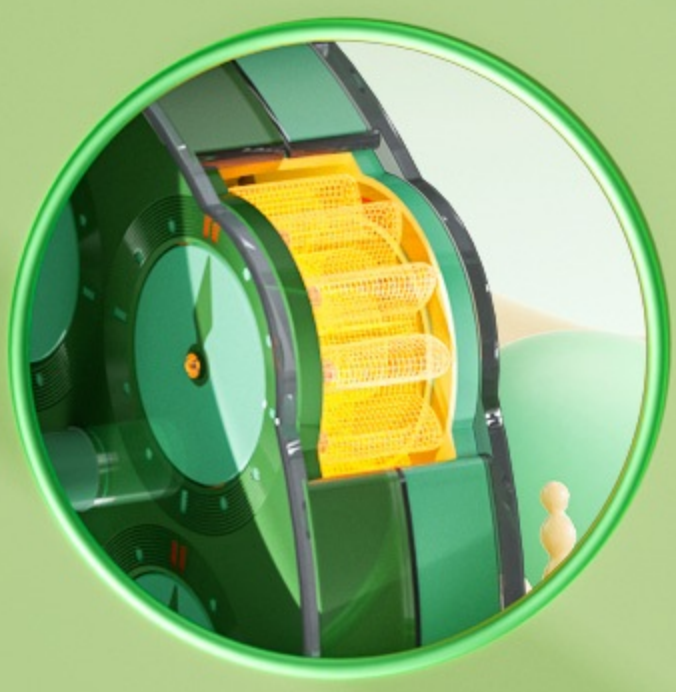

Each pointer and scale on the QY Clock is meticulously crafted,
with intricate inlays replacing traditional printing methods.
Say goodbye to printing errors with our superior craftsmanship.

Pointers display

Scales display

Rounded corner dails design

Smooth rotations without any risk of scratching

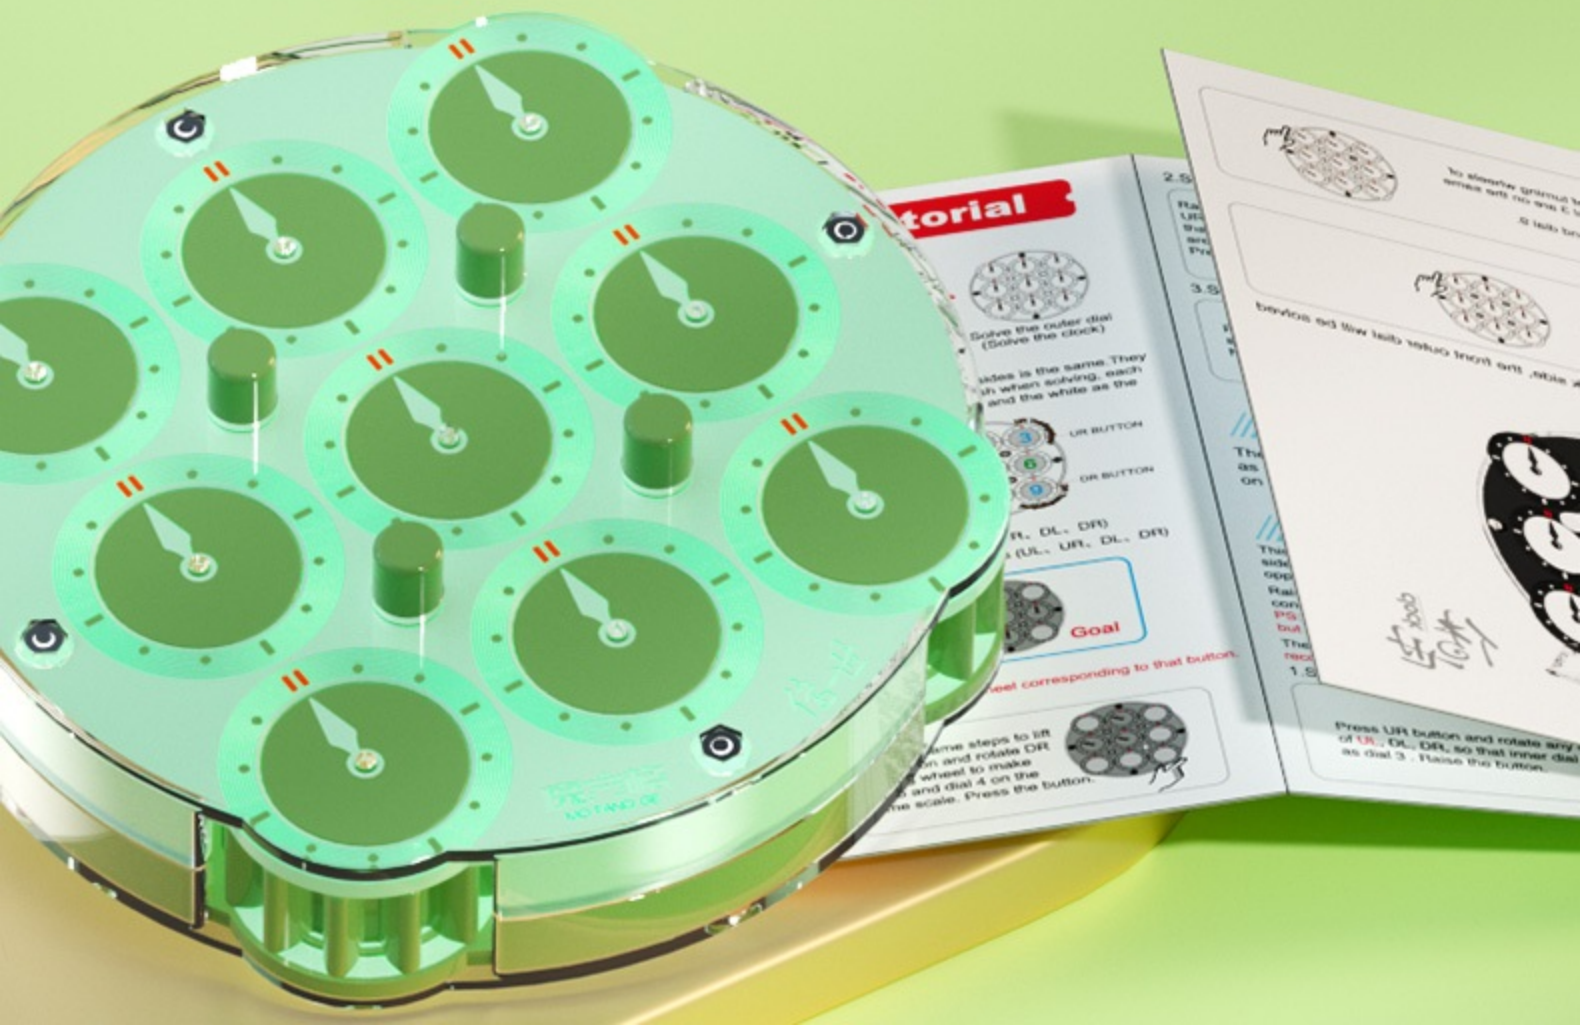

Adjustable Tightening Design

Fine-tune the tightness of all four screws to match your personal preference
