QY TOYS

WARRIOR M

YOUR FIRST MAGNETIC CUBE

Pro-Level Experience from Day One

QY TOYS

Leading the way to reset the new standard for magnetic Cubes

Not just an upgrade,
but how it should have been all along

VS. CUBES IN THE SAME PRICE RANGE

- Magnetic Positioning System
- UV Coating

Performance and Configuration Advantages

- Smooth Feel, Prone to Lock-ups
- Secure & Durable Build

VS. CUBES WITH SIMILAR PERFORMANCE AND CONFIGURATION

Price Advantage

Professional configuration
from the start
Comprehensively popularizing
magnetic 3x3 Cubes

Allowing more players to
experience the feel of magnetic positioning

WHY CHOOSE MAGNETIC CUBES?

ADVANTAGE [1]

Assists in alignment,
making solving more intuitive

ADVANTAGE [2]

Reduces accidental moves
on non-rotating layers,
enhancing stability

QY TOYS

The Cube craze fuels scientific growth
Six dimensions of evolution through solving Cubes

01 Improved observational skills
